Security and Connectivity at its best

CLASSIC IP STYLE

Security and Connectivity at its best

The CLASSIC IP STYLE is part of Checkpoint Systems' CLASSIC IP range which combines eye-pleasing design and data connectivity with seamless management reporting.

The CLASSIC IP STYLE antenna can fit perfectly into any environment, without impacting your customers. The Plexiglas design and integrated LEDs - which can be set to permanent on or when the antenna is alarmed - is perfect for those retailers who want top design without sacrificing performance.
